Writing.

My village is a venny big village. The name of my village is Bodene. My village is surrounded by fields from all sides and here can see different types of flowers, trees and plants. In my village there is go mach peace in the morning that the chirping of birds sounds very sweet. In my village all the people live together and it is usually a joint family. The main occupation of the people here is farming and animal husbandry. There is a very big pond in my village in which we all sometimes go to take bath. There is a huge banyan tree near the pond. Where every day a meeting of the elders takes place in the evening.
